

CONSTRUCTION EQUIPMENT GUIDE

If you appraise, evaluate, repair, identify, transport or own heavy construction equipment, this Guide is your source to thousands of prices, serial numbers, specifications and transport dimensions on over 200 manufacturers.

SPECIFICATIONS: Know important information for accurate evaluations, repair or model comparison.

SERIAL NUMBERS: Knowing the actual year of equipment is pertinent to making accurate evaluations and good buying decisions.

PRICING: Knowing what machinery is worth is important when running a business... guide contains Average Resale Value, Loan Value and Actual Auction Listings.

TRANSPORT DIMENSIONS: Provides heavy haulers with equipment dimensions and specifications, such as Weight, Height, Length, and Width, to determine the cost of permits and what to charge the customer who wants the equipment transported.

TYPE OF EQUIPMENT: Aerial Lifts, Compactors, Cranes, Crawler Loaders, Crawler Tractors, Excavator/Shovels, Forklifts, Loader Backhoes, Forestry Equipment, Motor Graders, Off Road Haulers, Paving Equipment, Scrapers, Skid Steer Loaders, Trenchers, Wheel Dozers, Wheel Loaders and Wheel Tractors.
