

If you deal with farm equipment, whether through **appraisals, auctions, repairing, or as a dealer**, get the **source** that gives you the **help you need** when evaluating farm machinery ...

FARM EQUIPMENT GUIDE

This yearly subscription brings you:

- Thousands of current auction results from around the U.S.
- Over 6,000 current listings of equipment for sale, shown with the asking prices.

This annual, 2-volume set of blue books provides you the advantage of:

- Serial numbers on equipment from the 1960's to the brand new models out in 2008.
- Thousands of useful specifications.
- Thousands of average auction prices, average asking prices, loan values and manufacturer suggested retail prices.
- Option/Value tables help assess a more specific value based on certain factors of the equipment, such as: number of hours, number of acres, ROPS, etc.
- Covers tractors, crawler tractors, combines, corn heads, grain heads, windrowers, balers, planters, spreaders and skid loaders, drills, cotton pickers and cotton strippers.
- The annual guide that provides you with this much quality information on all the major lines as well as the small ones!
