

Spotted Lanternfly (SLF) online permit training and exam -

1. Visit www.agriculture.pa.gov
2. Click Spotted Lanternfly link on left-side of page.
3. Click 'Quarantine' box.
4. Review 'Permit Training' link under Business Resources.
5. Review 'Biosecurity Training' link
6. Review 'Integrated Pest Management Training'
7. Click 'SLF Permit Exam' link.
8. **NOTE:** Print a screen shot or take a picture of the screen acknowledging you passed the exam and keep in your possession until a permit is mailed to you in about 2 to 3 weeks.

In Summary: The most responsible people such as the owner, manager, or supervisor from each company should take the online SLF exam after watching the SLF training videos. You should consider span of control as far as how many people take the exam. 1 person is hard pressed to be responsible for 2000 vehicles. The number of permits will be requested during the registration for the exam. The person taking the exam should enter the number of vehicles (power units) they will be responsible for overseeing. After the exam is completed and passed, that person is considered the trainer for the employees in the company who drive company motor vehicles within and/or who move in and out of the SLF quarantined counties in PA. A SLF permit shall remain in each vehicle. As of May 29, 2018 there are 13 counties in the SLF Quarantine area: **Lancaster, Lebanon, Schuylkill, Berks, Chester, Carbon, Monroe, Lehigh, Northampton, Montgomery, Bucks, Delaware and Philadelphia counties in PA.**

SLF maps may be updated monthly so please check the PDA website for new quarantined areas.

Also, the SLF trainer for each company shall keep records of which employees were trained by the trainer, the date of the training, shipping and receiving invoices indicating an inspection, and a record of an SLF inspection for each vehicle which is inside the SLF areas.

See the updated **Order of Quarantine for SLF dated May 26th, 2018** for further details on the quarantine. Located under General Resources on the Quarantine Page of the SLF Web page.

Call your Regional PDA Office for any additional information or visit the PDA website at www.agriculture.pa.gov.

Remember to '**LOOK BEFORE YOU LEAVE**' to avoid spreading this destructive pest.

Thank You for your Cooperation!
